Central Florida Arborcare Receives 2013 Best of Apopka Award

Apopka Award Program Honors the Achievement

APOPKA August 30, 2013 -- Central Florida Arborcare has been selected for the 2013 Best of Apopka Award in the Arborists category by the Apopka Award Program.

Each year, the Apopka Award Program identifies companies that we believe have achieved exceptional marketing success in their local community and business category. These are local companies that enhance the positive image of small business through service to their customers and our community. These exceptional companies help make the Apopka area a great place to live, work and play.

Various sources of information were gathered and analyzed to choose the winners in each category. The 2013 Apopka Award Program focuses on quality, not quantity. Winners are determined based on the information gathered both internally by the Apopka Award Program and data provided by third parties.
